## What is ClinTrial Refer

ClinTrial Refer is an online search tool that displays all **[enter partner name]** clinical trials, and other available trials. ClinTrial Refer provides extensive information about each study, including key eligibility criteria and trial site contact information. You have the option of using the ClinTrial Refer mobile app or the ClinTrial Refer website to search.

## Find a suitable clinical trial quickly with ClinTrial Refer

Finding a suitable clinical trial for you or your patient might be difficult. To make the process simpler, we've teamed up with ClinTrial Refer.

ClinTrial Refer has created a free and easy-to-use search tool that can help match patients to studies using filters such as location, medical condition, sponsor, and trial status.

## Using the ClinTrial Refer Website Search

If you do not wish to use the mobile app, you can search for clinical trials on the ClinTrial Refer website using the "Search All" trials button which can be accessed on the homepage **[here]**.

*Please reach out to Christine Zahren for any questions and requests or If you would like a quote for a URL that filters directly to your organisation's clinical trials. e: [christine.zahren@health.nsw.gov.au](mailto:christine.zahren@health.nsw.gov.au)*
