

Finding an available clinical trial is now quick and easy

Central Adelaide Local Health Network has partnered with ClinTrial Refer to communicate our current clinical trials.

ClinTrial Refer can be used to easily search for clinical trials that match your health condition (or that of your patient's).

ClinTrial Refer is free to download and to use for health care professionals, patients and carers.

Visit clintrialrefer.org.au or download the mobile app from the Apple App Store or Google Play. Start searching today.
